Case Production	

Tasting Notes

On the nose, pineapple, pear, honeysuckle, and lemon are complemented by notes of almond and vanilla. These characters carry over to the palate, where they are joined by bright acidity and a light touch of oak. A perfect match with roast chicken, cream-sauced pastas, and flavorful cheeses.

Winemaker Notes

Tropical fruit, citrus, and flowers – our 2014 Santa Cruz Mountains' Chardonnay is a gorgeous example of a great vineyard site paired to painstaking winemaking.
